generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1219–0049.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on September 30, 2017. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the Federal Register on April 12, 2017 (82 FR 17695). In order to help ensure publication of this notice in the Federal Register, interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty (30) days of publication of this notice in the Federal Register. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1219–0049. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

[Notice—2017–062]
Agency Information Collection Activities: Proposed Collection; Comment Request; Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery
AGENCY: National Archives and Records Administration (NARA).
ACTION: Notice of a request for comments regarding a new information collection.
SUMMARY: As part of the Federal Government-wide ongoing effort to streamline how agencies request feedback from the public on services (also called “service delivery”), we are proposing to renew a generic information collection request (generic ICR) entitled Generic Clearance for Collecting Qualitative Feedback on Agency Services (previously entitled Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery). This notice announces that we have submitted this generic ICR plan to OMB for renewed approval under the Paperwork Reduction Act and solicits comments on specific aspects of the collection plan.
DATES: OMB must receive written comments at the address below on or before October 12, 2017.
ADDRESSES: Send comments to Mr. Nicholas A. Fraser, desk officer for NARA, by mail to Office of Management and Budget; New Executive Office Building; Washington, DC 20503; by fax to 202–395–5167; or by email to Nicholas_A_Fraser@omb.eop.gov.

FOR FURTHER INFORMATION CONTACT: To request additional information, please contact Tamee Fechhelm by telephone at 301–837–1694 or by fax at 301–837–0319.
SUPPLEMENTARY INFORMATION: Pursuant to the Paperwork Reduction Act of 1995 (Public Law 104–13), we invite comments on: (a) Whether collecting this information is necessary for proper performance of the agency’s functions, including whether the information will have practical utility; (b) the accuracy of
