

Junior Achievement of Rhode Island Inspire Career Exploration Fair

- On November 6, 2017, Dr. Kimberly Arcand (Chandra/ Smithsonian Astrophysical Observatory-SAO) exhibited at the Junior Achievement of RI Inspire Career Exploration Fair for local underserved urban schools at Rhode Island College
- 67 representatives also presented from industry, training programs, career/tech centers
- Dr. Arcand ran an interactive activity for the students on binary code while fielding astronomy/computer science career based questions
- Stellar evolution, binary code, 3D printing and women in STEM topics were discussed with handouts given to approximately 200 8th grade students and 12 educators
- Junior Achievement's mission is to inspire and prepare young people to succeed in a global economy
